SCHEDULE OF PROGRAMMES: NOVEMBER 2023–DECEMBER 2024 (SANGAMS, RETREATS, TOUR PROGRAMMES, AND COMMEMORATIONS)

Dear Divine Atman,

With utmost joy, we inform you about the various functions: sangams, retreats, and tour programmes of YSS *sannyasis* that are planned for the year November 2023 to December 2024. Inspiring us to build an inner temple of silence, our beloved Gurudeva said: “What joy awaits discovery in the silence behind the portals of your mind no human tongue can tell. But you must meditate and create that environment. Those who deeply meditate feel a wonderful inner quiet.” These functions provide a wonderful opportunity for the sincere *sadhaks* to withdraw their attention from the ceaseless activity of everyday living, and focus it on the Inner Silence, and thereby drink the nectar of God’s peace and bliss.

As every spiritual event gives a new stimulus to our *sadhana*, your participation in these events will rekindle your spiritual enthusiasm and will also help you to experience the joy and blessings that come from meditating with and being in the company of other earnest seekers. During these events, you may also avail yourself of the guidance of YSS *sannyasis* in the application of Gurudeva’s teachings in your daily life.

We hope that your attendance and participation in these programmes will bring many spiritual blessings to you and your loved ones.

As you strive to meditate faithfully, think positively, and act righteously each day of your life, may your spiritual endeavours draw strength from our beloved Gurudeva's inspiring counsel: "God is approachable. Talking of Him and listening to His words in the scriptures, thinking of Him, feeling His presence in meditation, you will see that gradually the Unreal becomes real, and this world which you think is real will be seen as unreal. There is no joy like that realization."

May God and the Great Gurus be ever enshrined in your thoughts and feelings.

In divine friendship,
YOGODA SATSANGA SOCIETY OF INDIA
